

Uses of Award (UOA) Report
Data Points Description and Related Guidance
OMB Approval No. 1559-0032

Recipients of the Bank Enterprise Award Program (BEA Program), the Community Development Financial Institutions Program (CDFI Program), the Native American CDFI Assistance Program (NACA Program), and the Small Dollar Loan Program (SDL Program) submit the Uses of Award Report via the CDFI Fund's Awards Management Information System (AMIS) once a year, three (3) months after their Period of Performance (BEA Program) end date or fiscal year end (CDFI, NACA, and SDL Programs). Recipients respond to the questions below by providing numerical figures, "yes" or "no" answers, or narrative responses, as appropriate. This report is used to determine Recipient compliance with the applicable performance goals in their Award or Assistance Agreement ("Agreement"), and to demonstrate how award funds are expended.

Prior to submitting the report, the Recipient will be required to select checkboxes to certify, on behalf of the organization, the following:

1. The person entering the data and making these certifications is an Authorized Representative.
2. Any information or data provided to the CDFI Fund that is input in AMIS (or other submission method) is true, accurate, and complete, and accurately represents the activities and/or performance of the Recipient.
3. The Recipient is compliant with all applicable Federal Law, Executive Orders, Administration policy, CDFI Fund or the Office of Management and Budget guidance, assurances, certifications, representations and warranties, covenants, and agreements set forth in the Agreement or, alternatively, has notified the CDFI Fund of the Recipient's inability to be compliant with such provisions of the Agreement through the submission of a Material Event notification.

NOTE: All capitalized terms used herein but not defined have such definitions as specified in the Program's Interim Rules, applicable Notice of Funds Availability, or Agreement.

Paperwork Burden Statement

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid Office of Management and Budget (OMB) Approval Number. This form's Approval Number is 1559-0032. Public reporting burden for this collection of information is estimated to average 0.75 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, via the Federal e-Rulemaking Portal at www.regulations.gov.
