

Title: New Markets Tax Credit Program Community Development Entity (CDE) Certification Application.

OMB Control Number: 1559–0014.

Abstract: Title I, subtitle C, section 121 of the Community Renewal Tax Relief Act of 2000 (the Act), as enacted in the Consolidated Appropriations Act, 2001 (Pub. L. 106–554, December 21, 2000), amended the Internal Revenue Code (IRC) by adding IRC 45D and created the NMTC Program. The Department of the Treasury, through the CDFI Fund, administers the NMTC Program, which provides an incentive to investors in the form of tax credits over seven years, expected to stimulate the provision of private investment capital that, in turn, will facilitate economic and community development in low-income communities. In order to qualify for an allocation of tax credits through the NMTC Program, an entity must be certified as a qualified CDE and submit an allocation application to the CDFI Fund. Nonprofit entities and for-profit entities may be certified as CDEs by the CDFI Fund. In order to be certified as a CDE, an entity must be a domestic corporation or partnership, that: (1) has a primary mission of serving or providing investment capital for low-income communities or low-income persons; and (2) maintains accountability to residents of low-income communities through their representation on any governing or advisory board of the entity.

The CDE Certification Application is being updated to ensure that Applicants are meeting the statutory and regulatory disclosure requirements as well as protecting government resources in alignment with Administration priorities where appropriate. The specific changes include: (1) removal of references to “Minority-Owned or Controlled” in terms of Applicant’s structure; (2) addition of a new subsection on “Affiliate Information” to gather information about ownership, control, and foreign interests for affiliates; (3) addition of a new subsection on “Government Investigations and Enforcement” to gather more information on government investigations, enforcement actions and related matters; and (4) additional detailed language for federal anti-discrimination, alignment with specific Executive Orders, and prevention of fraud, waste, and abuse.
