V. *Summary of MASA's Petition:* The following views and arguments presented in this section, V. Summary of MASA's Petition, are the views and arguments provided by MASA. They have not been evaluated by the Agency and do not reflect the views of the Agency. MASA described the subject noncompliance and stated their belief that the noncompliance is inconsequential as it relates to motor vehicle safety.

In support of its petition, MASA submitted the following reasoning:

1. *Operational Safety:*

a. MASA stated their belief that a TIN marking noncompliance does not create any operational safety risk for the vehicle. The tires comply with applicable FMVSS performance requirements and all other applicable regulations. A summary of production tire compliance audit testing will be provided to NHTSA separately from this filing.

b. The incorrect TIN marking with additional characters in the optional code has no bearing on tire performance.

c. The subject tires are properly marked with all other markings required under FMVSS No. 139, such as paragraph S5.5(c), maximum permissible inflation pressure, and paragraph S5.5(d), maximum load rating. The necessary information is available on the sidewall of the tire to ensure proper application and usage.

d. The subject tires contain the DOT symbol on both sidewalls, thus, indicating conformance to applicable FMVSS.

2. *Identification and Traceability:*

a. All information required by 49 CFR 574.5 for the TIN (plant code +size code+ option code+ date code) is present on the sidewall of the tire.

b. For identification and traceability purposes, the key information of the plant code and manufacturing date is present on the tire.

c. The existence of extra characters in the optional code does not inhibit the ability of a tire distributor, the tire dealer, or the consumer to register the tires.

d. In the event that dealer/owner notifications are required, the TIN, as molded on the subject tires, is sufficient to ensure proper communication and identification of the tires.

e. To date, there is no record of a distributor, dealer, consumer, or other concerned party raising a question about tires with the extraneous characters

7. *Summary:* Based on the information presented, the tires molded with extraneous TIN optional code characters do not present a risk for motor vehicle safety. Additionally, identification and traceability of the subject tires could be accomplished in the event of a need to conduct a dealer/owner notification. Production records link plant code, size code, and optional code with the manufacturing dates for all concerned brands and tire sizes.

MASA concluded by expressing the belief that the subject noncompliance is inconsequential as it relates to motor vehicle safety, and that its petition to be exempted from providing notification of the noncompliance, as required by 49 U.S.C. 30118, and a remedy for the noncompliance, as required by 49 U.S.C. 30120, should be granted.

NHTSA notes that the statutory provisions (49 U.S.C. 30118(d) and 30120(h)) that permit manufacturers to file petitions for a determination of inconsequentiality allow NHTSA to exempt manufacturers only from the duties found in sections 30118 and 30120, respectively, to notify owners, purchasers, and dealers of a defect or noncompliance and to remedy the defect or noncompliance. Therefore, any

decision on this petition only applies to the subject tires that MASA no longer controlled at the time it determined that the noncompliance existed. However, any decision on this petition does not relieve equipment distributors and dealers of the prohibitions on the sale, offer for sale, or introduction or delivery for introduction into interstate commerce of the noncompliant tires under their control after MASA notified them that the subject noncompliance existed.

Executive Summary: Through the CDFI Rapid Response Program (CDFI RRP), the CDFI Fund will provide (i) awards of up to \$5 million to Certified Community Development Financial Institutions (CDFIs)² to support, prepare for, and respond to the economic impact of the COVID-19 pandemic. All awards provided through this NOFA are subject to funding availability.

I. Program Description

A. History: The CDFI Fund was established by the Riegle Community Development Banking and Financial Institutions Act of 1994 to promote economic revitalization and community development through investment in and assistance to CDFIs. The CDFI Rapid Response Program was authorized by Congress to provide grants to CDFIs to support, prepare for, and respond to the economic impact of the COVID-19 pandemic.

B. Priorities: Through CDFI Rapid Response Program grants, the CDFI Fund will invest in and build the capacity of for-profit and non-profit community based lending organizations known as CDFIs. These organizations, certified as CDFIs by the CDFI Fund, serve rural and urban Low-Income people, and communities across the nation that lack adequate access to affordable Financial Products and

Financial Services. The CDFI Rapid Response Program grants will be used to support the CDFI's provision of financial products and services to underserved people and communities as well as the operational expenses to support the CDFI's operational capacity.

C. Authorizing Statutes and Regulations: The CDFI Rapid Response Program is authorized by The Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (Pub. L. 116-260) (Authorizing Statute). The regulations governing the CDFI Program are found at 12 CFR parts 1805 and 1815 (the Regulations) and are used by the CDFI Fund to govern, in general, the CDFI Rapid Response Program, setting forth evaluation criteria and other program requirements. The CDFI Fund encourages Applicants to review the Regulations; this NOFA; the CDFI Rapid Response Program Application (the Application); all related materials and guidance documents found on the CDFI Fund's website (Application materials); and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR part 1000), which is the Department of the Treasury's codification of the Office of Management and Budget (OMB) government-wide framework for grants management at 2 CFR part 200 (the Uniform Requirements) for a complete understanding of the program. Capitalized terms in this NOFA are defined in the Authorizing Statute, the

Regulations, this NOFA, the Application, Application materials, or the Uniform Requirements. Details regarding Application content requirements are found in the Application and Application materials.

D. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR part 1000): The Uniform Requirements codify financial, administrative, procurement, and program management standards that Federal awarding agencies must follow. When evaluating Applications, awarding agencies must evaluate the risks posed by each Applicant, and each Applicant's merits and eligibility. These requirements are designed to ensure that Applicants for Federal assistance receive a fair and consistent review prior to an award decision. This review will assess items such as certification status, financial and compliance performance, portfolio and balance sheet strength, a diversity of CDFI business model types, and program capacity. In addition, the Uniform Requirements include guidance on audit requirements and other award compliance requirements for Recipients.

E. Funding limitations: The CDFI Fund reserves the right to fund, in whole or in part, any, all, or none of the Applications submitted in response to this NOFA.

Applicants and/or their Appropriate Federal Banking Agency may be contacted by the CDFI Fund to provide additional information related to Federal bank regulatory or CRA information. The CDFI Fund will consider this information and may choose to not approve a CDFI Rapid Response Program award for an Applicant if the information indicates that the Applicant may be unable to responsibly manage, re-invest, and/or report on a CDFI Rapid Response Program award during the Period of Performance. • The CDFI Fund will also evaluate material concerns identified by the Appropriate Federal Banking Agency in determining the eligibility of Regulated Institution Applicants.

IV. Application and Submission Information

A. Address to Request an Application Package: Application materials can be found on the CDFI Fund’s website at www.cdfifund.gov. The following table lists the Required Application Documents for the CDFI Rapid Response Program Funding Round. The CDFI Fund reserves the right to request and review other pertinent or public information

that has not been specifically requested in this NOFA or the Application. Information submitted by the Applicant that the CDFI Fund has not specifically requested will not be reviewed or considered as part of the Application. Financial data, portfolio, and activity information provided in the Application should only include the Applicant’s activities. C. Application Submission: The CDFI Fund has a two-step process that requires the submission of Required Application Documents (listed in Table 5) on separate deadlines and locations. The SF-424 must be submitted through *Grants.gov* and all other Required Application Documents through the AMIS portal. The CDFI Fund will not accept Applications via email, mail, facsimile, or other forms of communication, except in extremely rare circumstances that have been pre-approved in writing by the CDFI Fund. The deadline for submitting the SF-424 is listed in Tables 1 and 6.

All Applicants must register in the *Grants.gov* system to successfully submit the SF-424. The CDFI Fund strongly encourages Applicants to start the *Grants.gov* registration process as soon as possible (refer to the following link: <http://www.grants.gov/web/grants/register.html>). The *Grants.gov* registration process requires Applicants to have DUNS and EIN numbers.

The CDFI Fund will not extend the Application deadline for any Applicant that started the *Grants.gov* registration process but did not complete it by the deadline. An Applicant that has previously registered with *Grants.gov* must verify that its registration is current and active. Applicants should contact *Grants.gov* directly with questions related to the registration or

submission process as the CDFI Fund does not maintain the *Grants.gov* system.

Each Application must be signed by a designated Authorized Representative in AMIS before it can be submitted. Applicants must ensure that an Authorized Representative is an employee or officer and is authorized to sign legal documents on behalf of the Applicant. Consultants working on behalf of the Applicant may not be designated as Authorized Representatives. Only a designated Authorized Representative or Application Point of Contact, included in the Application, may submit the Application in AMIS. If an Authorized Representative or Application Point of Contact does not submit the Application, the Application will be deemed ineligible.

D. Dun & Bradstreet Universal Numbering System: Pursuant to the Uniform Requirements, each Applicant must provide as part of its Application submission, a Dun and Bradstreet Universal Numbering System (DUNS) number. Applicants without a DUNS number will not be able to register and submit an Application in the *Grants.gov* system. Allow sufficient time for Dun & Bradstreet to respond to inquiries and/or requests for DUNS numbers.

E. System for Award Management (SAM): Any entity applying for Federal

grants or other forms of Federal financial assistance through *Grants.gov* must be registered in SAM before submitting its Application. Registration in SAM is required as part of the *Grants.gov* registration process. A signed notarized letter identifying the SAM authorized entity administrator for the entity associated with the DUNS number is required. This requirement is applicable to new entities registering in SAM, as well as to existing entities with registrations being updated or renewed in SAM. Applicants without DUNS and/or EIN numbers should allow for additional time as an Applicant cannot register in SAM without those required numbers. Applicants that have previously completed the SAM registration process must verify that their SAM accounts are current and active. Each Applicant must continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an Application under consideration by a Federal awarding agency. The CDFI Fund will deem ineligible any Applicant that fails to properly register or activate its SAM account and, as a result, is unable to submit the SF-424 in *Grants.gov* or Application in AMIS by the applicable Application deadlines. These restrictions also apply to organizations that have not yet received a DUNS or

EIN number. Applicants must contact SAM directly with questions related to registration or SAM account changes as the CDFI Fund does not maintain this

system and has no ability to make changes or correct errors of any kind. For more information about SAM, visit <https://www.sam.gov>.

F. Submission Dates and Times:

1. Submission Deadlines: The following table provides the critical deadlines for the CDFI Rapid Response Program Funding Round.

TABLE 6—CDFI RAPID RESPONSE PROGRAM CRITICAL DEADLINES FOR APPLICANTS

Last day to contact AMIS-IT Help Desk (regarding AMIS technical problems only).	March 25, 2021	5:00 p.m	Service Request via AMIS or 202-653-0422 or <i>AMIS@cdfi.treas.gov</i> .
Last day to submit CDFI Rapid Response Program Application.	March 25, 2021	11:59 p.m	AMIS.

2. Confirmation of Application Submission in Grants.gov and AMIS: Applicants are required to submit the SF-424, Application for Federal Assistance through the *Grants.gov* system, under the CDFI Rapid Response Program Funding Opportunity Number by the applicable deadline. All other Required Application Documents (listed in Table 5) must be submitted through the AMIS website by the applicable deadline. Applicants must submit the SF-424 prior to submitting the Application in AMIS. If the SF-424 is not successfully accepted by *Grants.gov* by the deadline, the CDFI Fund will not review the Application submitted in AMIS, and the Application will be deemed ineligible.

a. Grants.gov Submission Information: Each Applicant will receive an email from *Grants.gov* immediately after submitting the SF-424 confirming that the submission has entered the *Grants.gov* system. This email will contain a tracking number for the submitted SF-424. Within 48 hours, the Applicant will receive a second email, which will indicate if the submitted SF-424 was either successfully validated or rejected with errors. However, Applicants should not rely on the email notification from *Grants.gov* to confirm that their SF-424 was validated. Applicants are strongly encouraged to use the tracking number provided in the first email to closely monitor the status of their SF-424 by contacting the helpdesk at *Grants.gov* directly. The Application material submitted in AMIS is not officially accepted by the CDFI Fund until *Grants.gov* has validated the SF-424.

b. AMIS Submission Information: AMIS is a web-based portal where Applicants will directly enter their Application information and add the

required attachments listed in Table 5. AMIS will verify that the Applicant provided the minimum information required to submit an Application. Applicants are responsible for the quality and accuracy of the information and attachments included in the Application submitted in AMIS. The CDFI Fund strongly encourages Applicants to allow for sufficient time to review and complete the Application components and documents included in Table 5, and remedy any issues prior to the Application deadline. Each Application must be signed by an Authorized Representative in AMIS before it can be submitted. Applicants must ensure that the Authorized Representative is an employee or officer and is authorized to sign legal documents on behalf of the Applicant. Consultants working on behalf of the Applicant may not be designated as Authorized Representatives. Only an Authorized Representative or an Application Point of Contact may submit an Application. If an Authorized Representative or Application Point of Contact does not submit the Application, the Application will be deemed ineligible. Applicants may only submit one CDFI Rapid Response Program Application. Upon submission, the Application will be locked and cannot be resubmitted, edited, or modified in any way. The CDFI Fund will not unlock or allow multiple Application submissions.

3. Late Submission: The CDFI Fund will not accept an Application if the SF-424 is not submitted and accepted by *Grants.gov* by the SF-424 deadline. Additionally, the CDFI Fund will not accept an Application if it is not signed by an Authorized Representative and submitted in AMIS by the Application deadline. In either case, the CDFI Fund

will not review any material submitted, and the Application will be deemed ineligible.

However, in cases where a Federal government administrative or Federal government technological error directly resulted in a late submission of the SF-424 or the Application, Applicants are provided two opportunities to submit a written request for acceptance of late submissions. The CDFI Fund will not consider the late submission of the SF-424 or the Application that was a direct result of a delay in a Federal Government process, unless such delay was the result of a Federal government administrative or Federal government technological error.

a. SF-424 Late Submission: In cases where a Federal government administrative or Federal government technological error directly resulted in the late submission of the SF-424, the Applicant must submit a written request for acceptance of the late SF-424 submission and include documentation of the error no later than two business days after the SF-424 deadline. The CDFI Fund will not respond to requests for acceptance of late SF-424 submissions after that time period.

Applicants must submit late SF-424 submission requests to the CDFI Fund via an AMIS Service Request to the CDFI Program with a subject line of "Late SF-424 Submission Request."

b. AMIS Application Late Submission: In cases where a Federal government administrative or Federal government technological error directly resulted in a late submission of the Application in AMIS, the Applicant must submit a written request for acceptance of the late Application submission and include documentation of the error no later than two business days after the Application deadline. The

CDFI Fund will not respond to requests for acceptance of late Application submissions after that time period. Applicants must submit late Application submission requests to the CDFI Fund via an AMIS Service Request to the CDFI Program with a subject line of "Late Application Submission Request."

G. Funding Restrictions: CDFI Rapid Response Program grants are limited by the following:

a. A Recipient shall use CDFI Rapid Response Program funds only for the eligible activities described in Section II. (C)(1) of this NOFA and its Assistance Agreement.

b. With the exception of Depository Institution Holding Company Applicants, CDFI Rapid Response Program grants may not be used to support the activities of, or otherwise be passed through, transferred, or co-awarded to, third-party entities, whether Affiliates, Subsidiaries, or others, unless done pursuant to a merger or acquisition or similar transaction, and with the CDFI Fund's prior written consent.

c. CDFI Rapid Response Program funds shall only be paid to the Recipient.

d. The CDFI Fund, in its sole discretion, may pay CDFI Rapid Response Program funds in amounts, or under terms and conditions, which are different from those requested by an Applicant.

e. The Recipient must comply, as applicable, with the Buy American Act of 1933, 41 U.S.C. 8301–8303 and section 2 CFR 200.216 of the Uniform Requirements, with respect to any Direct Costs.

V. Application Review Information

A. Criteria: If the Applicant has submitted an eligible Application, the CDFI Fund will conduct a substantive review in accordance with the criteria and procedures described in the Regulations, this NOFA, the Application guidance, and the Uniform Requirements. The CDFI Fund reserves the right to contact the Applicant by telephone, email, or mail for the purpose of clarifying or confirming Application information. If contacted, the Applicant must respond within the time period communicated by the CDFI Fund or the Application may be rejected. The CDFI Fund will review the CDFI Rapid Response Program Applications in accordance with the process below. All reviewers will complete the CDFI Fund's conflict of interest process. The CDFI Fund's Application conflict of interest policy is located on the CDFI Fund's website.

1. CDFI Rapid Response Program Application Scoring, Award Selection, Review, and Selection Process: The CDFI Fund will evaluate each Application using a four-step review process described in the sections below. Applicants that meet the minimum criteria will advance to the next step in the review process.

a. Step 1: Eligibility Review: The CDFI Fund will evaluate each Application to determine its eligibility status pursuant to Section III of this NOFA.

b. Step 2: Financial Analysis and Compliance Risk Evaluation:

i. Step 2(a): Financial Analysis: For Regulated Institutions, the CDFI Fund will consider financial safety and soundness information from the Appropriate Federal or State Banking Agency. As detailed in Table 4, each Regulated Institution CDFI Rapid Response Program Applicant must have a CAMELS/CAMEL rating of at least "4" and/or no significant materials concerns from its regulator.

For non-regulated Applicants, the CDFI Fund will evaluate the financial health and viability of each non-regulated Applicant using financial information provided by the Applicant. For the Financial Analysis, each non-regulated Applicant will receive a Total Financial Composite Score on a scale of one (1) to five (5), with one (1) being the highest rating. The Total Financial Composite Score is based on the analysis of twenty-three (23) financial indicators. Applications will be grouped based on the Total Financial Composite Score. Applicants must receive a Total Financial Composite Score of one (1), two (2), three (3), or four (4) to advance to Step 3. Applicants that receive a Total Financial Composite Score of five (5) will not advance to Step 3.

ii. Step 2(b): Compliance Risk Evaluation: For the compliance analysis, the CDFI Fund will evaluate the compliance risk of each Applicant using information provided in the Application as well as an Applicant's reporting history, reporting capacity, and performance risk with respect to the CDFI Fund's PG&Ms. Each Applicant will receive a Total Compliance Composite Score on a scale of one (1) to five (5), with one (1) being the highest rating. Applicants that receive an initial Total Compliance Composite Score of four (4) or five (5) will be confirmed by CDFI Fund Staff. If the Applicant is deemed a high compliance risk (score of a 4 or 5) after the CDFI Fund reviews, the Applicant will not advance to Step 3.

c. Step 3: Final Award Decision: The CDFI Fund will conduct a due diligence review to evaluate each CDFI Rapid

Response Program Application to ensure its adherence with the CDFI Fund's policies and procedures as well as applicable Federal regulations. The due diligence review includes an analysis of programmatic risk factors including but not limited to financial stability; history of performance in managing Federal awards (including timeliness of reporting and compliance); audit or regulator findings; and the Applicant's ability to effectively implement Federal requirements. If an Applicant is found to be a significant risk as a result of this due diligence review, the CDFI Fund may eliminate the Applicant from consideration for a CDFI Rapid Response Program grant or may reduce the Applicant's award size. The CDFI Fund also reserves the right to reduce the award size for Applicants that have a CAMEL/CAMELS, or equivalent, rating of four (4) or Total Financial Composite Score of four (4) during the due diligence review.

d. Step 4: Award Amount Determination: The CDFI Fund determines an award amount for each Application using a formula-based approach based on the due diligence performed, the Applicant's requested amount, and certain other factors, including but not limited to, the Applicant's deployment track record, minimum award size, submission of audited financial statements, amount targeted to a Native Community, and funding availability. Award amounts may be reduced from the requested award amount as a result of the above factors. All approved Applicants will be awarded at least the minimum award amount noted in Table 2. Award sizes for Applicants without audited financial statements will be limited to no more than \$200,000. The funding available will be split among successful Applicants using a formula approach that ensures the following: (i) an Applicant's final award amount does not exceed its requested award amount, (ii) an Applicant's final award amount does not exceed either (a) 150% of the dollar volume of its Total On-Balance Sheet Financial Products Closed in Eligible Markets and/or Target Markets for its most recent historic fiscal year, or (b) the minimum award size (\$200,000), whichever is greater, (iii) an Applicant's final award amount does not exceed \$200,000 if it does not have audited financial statements, (iv) an Applicant's award amount is adjusted based on the due diligence review, and (v) a minimum of \$25 million of the total CDFI Rapid Response Program funds awarded are allocated to benefit Native Communities.

Based on the anticipated formula, the CDFI Fund does not anticipate that any applicant will receive the maximum award amount of \$5 million. The award is dependent on the number of awards made, for example: if there are 510 awards, the estimated largest award would be \$3.3 million; if there are 800 awards, the estimated largest award would be \$1.8 million; and if there are 1,050 awards, the estimated largest award would be \$1.4 million.

2. Regulated Institutions: The CDFI Fund will consider safety and soundness information from the Appropriate Federal or State Banking Agency. If the Applicant is a CDFI Depository Institution Holding Company, the CDFI Fund will consider information provided by the Appropriate Federal or State Banking Agencies about both the CDFI Depository Institution Holding Company and the Certified CDFI Subsidiary Insured Depository Institution that will expend and carry out the award. If the Appropriate Federal or State Banking Agency identifies safety and soundness concerns, the CDFI Fund will assess whether such concerns cause or will cause the Applicant to be incapable of undertaking the activities for which funding has been requested.

3. Non-Regulated Institutions: The CDFI Fund must ensure, to the maximum extent practicable, that Recipients which are non-regulated CDFIs are financially and managerially sound, and maintain appropriate internal controls (12 U.S.C. 4707(f)(1)(A) and 12 CFR 1805.800(b)). Further, the CDFI Fund must determine that an Applicant's capacity to operate as a CDFI and its continued viability will not be dependent upon assistance from the CDFI Fund (12 U.S.C. 4704(b)(2)(A)). If it is determined that the Applicant is incapable of meeting these requirements, the CDFI Fund reserves the right to deem the Applicant ineligible or terminate the award.

B. Anticipated Award Announcement: The CDFI Fund anticipates making the CDFI Rapid Response Program award announcement before September 30, 2021. However, the anticipated award Announcement Date is subject to change without notice.

C. Application Rejection: The CDFI Fund reserves the right to reject an Application if information (including administrative errors) comes to the CDFI Fund's attention that: Adversely affects an Applicant's eligibility for an award; adversely affects the Recipient's certification as a CDFI (to the extent that the award is conditional upon CDFI certification); adversely affects the CDFI

Fund's evaluation or scoring of an Application; or indicates fraud or mismanagement on the Applicant's part. If the CDFI Fund determines any portion of the Application is incorrect in a material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the Application. The CDFI Fund reserves the right to change its eligibility and evaluation criteria and procedures, if the CDFI Fund deems it appropriate. If the changes materially affect the CDFI Fund's award decisions, the CDFI Fund will provide information about the changes through its website. The CDFI Fund's award decisions are final, and there is no right to appeal decisions.

VI. Federal Award Administration Information

A. Award Notification: Each successful Applicant will receive an email "notice of award" notification from the CDFI Fund stating that its Application has been approved for an award. Each Applicant not selected for an award will receive an email stating that a debriefing notice has been provided in its AMIS account.

B. Assistance Agreement: Each Applicant selected to receive an award must enter into an Assistance Agreement with the CDFI Fund in order to receive a payment(s). The Assistance Agreement will set forth the award's terms and conditions, including but not be limited to the: (i) Award amount; (ii) award type; (iii) award uses; (iv) eligible use of funds; (v) PG&Ms; and (vi) reporting requirements. CDFI Rapid Response Program Assistance Agreements have two-year Periods of Performance.

1. Certificate of Good Standing: All CDFI Rapid Response Program Recipients that are not Regulated Institutions will be required to provide the CDFI Fund with a certificate of good standing from the secretary of state for the Recipient's jurisdiction of formation prior to closing. This certificate can often be acquired online on the secretary of state website for the Recipient's jurisdiction of formation and must generally be dated within 180 days prior to the date the Recipient executes the Assistance Agreement. Due to potential backlogs in state government offices, Applicants are advised to submit requests for certificates of good standing around the time they submit their Applications.

2. Closing: Pursuant to the Assistance Agreement, there will be an initial closing at which point the Assistance Agreement and related documents will be properly executed and delivered, and an initial payment CDFI Rapid Response

Program funds may be made. The first payment is the estimated amount of the award that the Recipient states in its Application that it will use for eligible CDFI Rapid Response Program activities in the first 12 months after the award announcement. The CDFI Fund reserves the right to increase the first payment amount to ensure that any subsequent payment is at least \$25,000.

The CDFI Fund will minimize the time between the Recipient incurring costs for eligible activities and award payment(s) in accordance with the Uniform Requirements. Advanced payments for eligible activities will occur no more than one year in advance of the Recipient incurring costs for the eligible activities. Following the initial closing, there may be subsequent closings involving additional award payments. There will be a limit of two additional award payments. Any documentation in addition to the Assistance Agreement that is connected with such subsequent closings and payments shall be properly executed and timely delivered by the Recipient to the CDFI Fund.

3. Requirements Prior to Entering into an Assistance Agreement: If, prior to entering into an Assistance Agreement, information (including administrative errors) comes to the CDFI Fund's attention that: Adversely affects the Recipient's eligibility for an award; adversely affects the Recipient's certification as a CDFI; adversely affects the CDFI Fund's evaluation of the Application; indicates that the Recipient is not in compliance with any requirement listed in the Uniform Requirements; indicates that the Recipient is not in compliance with a term or condition of a prior CDFI Fund award; indicates the Recipient has failed to execute and return a prior round Assistance Agreement to the CDFI Fund within the CDFI Fund's deadlines; or indicates fraud or mismanagement on the Recipient's part, the CDFI Fund may, in its discretion and without advance notice to the Recipient, terminate the award or take such other actions as it deems appropriate. The CDFI Fund reserves the right, in its sole discretion, to rescind an award if the Recipient fails to return the Assistance Agreement, signed by the Authorized Representative of the Recipient, and/or provide the CDFI Fund with any requested documentation, within the CDFI Fund's deadlines.

In addition, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the Assistance Agreement and the award made under this NOFA pending the criteria described in the following table:

TABLE 7—REQUIREMENTS PRIOR TO EXECUTING AN ASSISTANCE AGREEMENT

Requirement	Criteria
Failure to meet reporting requirements	<ul style="list-style-type: none"> • If a Recipient received a prior award under any CDFI Fund program and is not in compliance with the reporting requirements of the previously executed agreement(s), the CDFI Fund may delay entering into an Assistance Agreement or disbursing an award until such reporting requirements are met. If the Recipient is unable to meet the requirement(s) within the timeframe specified by the CDFI Fund, the CDFI Fund may terminate and rescind the Assistance Agreement and the award made under this NOFA. • The automated systems the CDFI Fund uses only acknowledge a report's receipt and are not a determination of meeting reporting requirements.

Each Recipient is responsible for the timely and complete submission of the Annual Reporting Requirements.
