*Executive Summary:* This NOFA is issued in connection with the fiscal year (FY) 2021 funding round of the Bank Enterprise Award Program (BEA

Program). The BEA Program is administered by the U.S. Department of the Treasury’s Community Development Financial Institutions Fund (CDFI

Fund). Through the BEA Program, the CDFI Fund awards formula-based grants to depository institutions that are insured by the Federal Deposit

Insurance Corporation (FDIC) for increasing their levels of loans, investments, Service Activities, and technical assistance to residents and businesses in the most economically Distressed Communities, and financial assistance and technical assistance to certified Community Development Financial Institutions (CDFIs) through equity investments, equity-like loans, grants, stock purchases, loans, deposits, and other forms of assistance, during a specified period.

### I. Program Description

*A. History:* The CDFI Fund was established by the Riegle Community Development and Regulatory Improvement Act of 1994 to promote economic revitalization and community development through investment in and assistance to CDFIs. Since its creation in 1994, the CDFI Fund has provided more than \$3.9 billion through a variety of monetary awards programs to CDFIs, community development organizations, and financial institutions. In addition, the CDFI Fund has allocated \$61.0 billion in tax credit allocation authority to Community Development Entities through the New Markets Tax Credit Program (NMTC Program), and has guaranteed more than \$1.7 billion in bonds through the CDFI Bond Guarantee Program.

The BEA Program complements the community development activities of banks and thrifts (collectively referred to as banks for purposes of this NOFA), by providing financial incentives to expand investments in CDFIs and to increase lending, investment, and Service Activities within Distressed Communities. Providing monetary awards to banks for increasing their community development activities leverages the CDFI Fund's dollars and puts more capital to work in Distressed Communities throughout the nation.

*B. Authorizing Statutes and Regulations:* The BEA Program was authorized by the Bank Enterprise Award Act of 1991, as amended. The regulations governing the BEA Program can be found at 12 CFR part 1806 (the Interim Rule). The Interim Rule provides the evaluation criteria and other requirements of the BEA Program. Detailed BEA Program requirements are also found in the application materials associated with this NOFA (the Application). The CDFI Fund encourages interested parties and Applicants to review the authorizing statute, Interim Rule, this NOFA, the Application, and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform

Requirements) for a complete understanding of the BEA Program. Capitalized terms in this NOFA are defined in the authorizing statute, the Interim Rule, this NOFA, the Application, or the Uniform Requirements. Details regarding Application content requirements are found in the Application and related materials. Application materials can be found on *Grants.gov* and the CDFI Fund's website at [www.cdfifund.gov/beat](http://www.cdfifund.gov/beat).

*C. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR part 200):* The Uniform Administrative Requirements codify financial, administrative, procurement, and program management standards that Federal award-making agencies and Award Recipients must follow. When evaluating award applications, awarding agencies must evaluate the risks to the program posed by each Applicant, and each Applicant's merits and eligibility. These requirements are designed to ensure that Applicants for Federal assistance receive a fair and consistent review prior to an award decision. This review will assess items such as the Applicant's financial stability, quality of management systems, history of performance, and audit findings. In addition, the Uniform Requirements include guidance on audit requirements and other award requirements with which Award Recipients must comply.

*D. Priorities:* Through the BEA Program, the CDFI Fund specifies the following priorities:

*1. Estimated Award Amounts:* The award percentage used to derive the estimated award amount for Applicants that are CDFIs is three times greater than the award percentage used to derive the estimated award amount for Applicants that are not CDFIs;

*2. Priority Factors:* Priority Factors will be assigned based on an Applicant's asset size, as described in Section V.A.14 of this NOFA (Application Review Information: Priority Factors); and

*3. Priority of Awards:* The CDFI Fund will rank Applicants in each category of Qualified Activity according to the priorities described in Section V.A.16 of this NOFA (Application Review Information: Award Percentages, Award Amounts, Application Review Process, Selection Process, Programmatic Financial Risk, and Application Rejection), and specifically parts V.B.2: Selection Process, V.B.3: Programmatic and Financial Risk, and V.B.4: Persistent Poverty Counties.

*E. Baseline Period and Assessment Period Dates:* A BEA Program Award is

based on an Applicant's increase in Qualified Activities from the Baseline Period to the Assessment Period, as reported on an individual transaction basis in the Application. For the FY 2021 funding round, the Baseline Period is calendar year 2019 (January 1, 2019 through December 31, 2019), and the Assessment Period is calendar year 2020 (January 1, 2020 through December 31, 2020).

*F. Funding Limitations:* The CDFI Fund reserves the right to fund, in whole or in part, any, all, or none of the Applications submitted in response to this NOFA. The CDFI Fund also reserves the right to reallocate funds from the amount that is available through this NOFA to other CDFI Fund programs, or to reallocate remaining funds to a future BEA Program funding round, particularly if the CDFI Fund determines that the number of awards made through this NOFA is fewer than projected.

*G. Persistent Poverty Counties:* Pursuant to the Consolidated Appropriations Act, 2021 (Pub. L. 116-260), Congress mandated that at least ten percent of the CDFI Fund's appropriations be directed to counties that meet the criteria for "Persistent Poverty" designation. Persistent Poverty Counties (PPCs) are defined as any county, including county equivalent areas in Puerto Rico, that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by the 1990 and 2000 decennial censuses, and the 2011-2015 5-year data series available from the American Community Survey of the Census Bureau or any other territory or possession of the United States that has had 20 percent or more of its population living in poverty over the past 30 years, as measured by the 1990, 2000 and 2010 Island Areas Decennial Censuses, or equivalent data, of the Bureau of the Census and published by the CDFI Fund at: <https://www.cdfifund.gov/Documents/PPC%20updated%20Oct.2017.xlsx>. The tabular BEA Program Eligibility Data, which is located on the CDFI Fund's website, indicates whether a census tract also meets "Persistent Poverty County" (PPC) criteria. The tabular BEA Program Eligibility Data can be located by clicking on "Research and Data," scrolling to "Program Eligibility Guidance" and selecting "BEA Program Updated 2011-2015 ACS Data," or by going to the following hyperlink: [https://www.cdfifund.gov/Documents/BEA%20ACS\\_2015\\_V12.xlsx](https://www.cdfifund.gov/Documents/BEA%20ACS_2015_V12.xlsx). Applicants that apply under this NOFA will be required to indicate the minimum and maximum percentage of

the BEA Program Award that the Applicant will commit to investing in PPCs.

## II. Federal Award Information

*A. Funding Availability:* The CDFI Fund expects to award up to \$26 million for the FY 2021 BEA Program Award round under this NOFA. The CDFI Fund reserves the right to award in excess of said funds under this NOFA, provided that the appropriated funds are available. The CDFI Fund reserves the right to impose a minimum or maximum award amount; however, under no circumstances will an award be higher than \$1 million for any Award Recipient.

*B. Types of Awards:* BEA Program Awards are made in the form of grants.

*C. Anticipated Start Date and Period of Performance:* The CDFI Fund anticipates the period of performance for the FY 2021 funding round will begin in the fall of calendar year 2021. Specifically, the period of performance begins on the Federal Award Date and will conclude at least one (1) full year after the Federal Award Date as further specified in the BEA Program Award Agreement (Award Agreement), during which the Award Recipient must meet the performance goals set forth in the Award Agreement.

*D. Eligible Activities:* Eligible activities for BEA Program Applicants are referred to as Qualified Activities and are defined in the Interim Rule to include CDFI Related Activities, Distressed Community Financing Activities, and Service Activities (12 CFR 1806.103).

CDFI Related Activities (12 CFR 1806.103) means CDFI Equity and CDFI Support Activities. CDFI Equity consists of Equity Investments, Equity-Like Loans, and Grants. CDFI Support Activities includes Loans, Deposits and Technical Assistance. Distressed Community Financing Activities (12 CFR 1806.103) means Consumer Loans and Commercial Loans and Investments. Consumer Loans include Affordable Housing Loans; Education Loans; Home Improvement Loans; and Small Dollar Consumer Loans. Commercial Loans and Investments includes Affordable Housing Development Loans and related Project Investments; Commercial Real Estate Loans and related Project Investments; and Small Business Loans and related Project Investments. Service Activities (12 CFR 1806.103) include Deposit Liabilities, Financial Services, Community Services, Targeted Financial Services, and Targeted Retail Savings/Investment Products. When calculating BEA Program Award amounts, the CDFI Fund will only

consider the amount of a Qualified Activity that has been fully disbursed or, in the case of a partially disbursed Qualified Activity, will only consider the amount that an Applicant reasonably expects to disburse for a Qualified Activity within 12 months from the end of the Assessment Period. Subject to the requirements outlined in Section VI. of this NOFA, in the case of Commercial Real Estate Loans and related Project Investments, the total principal amount of the transaction must be \$10 million or less to be considered a Qualified Activity. Notwithstanding the foregoing, the CDFI Fund, in its sole discretion, may consider transactions with a total principal value of over \$10 million, subject to review.

An activity funded with prior BEA Program Award dollars, or funded to satisfy requirements of an Award Agreement from a prior BEA Program award or an agreement under any CDFI Fund program, shall not constitute a Qualified Activity for the purposes of calculating or receiving an award.

*E. Distressed Community:* A Distressed Community must meet certain minimum geographic area and eligibility requirements, which are defined in the Interim Rule at 12 CFR 1806.103 and more fully described in 12 CFR 1806.401. Applicants should use the CDFI Fund's Information Mapping System (CIMS Mapping Tool) to determine whether a Baseline Period activity or Assessment Period activity is located in a qualified Distressed Community. The CIMS Mapping Tool can be accessed through AMIS or the CDFI Fund's website at <https://www.cdfifund.gov/Pages/mapping-system.aspx>. The CIMS Mapping Tool contains a step-by-step training manual on how to use the tool. In addition, further instructions to determine whether an activity is located in a qualified BEA Distressed Community can be located at: [https://www.cdfifund.gov/programs-training/Programs/bank\\_enterprise\\_award/Pages/apply-step.aspx#](https://www.cdfifund.gov/programs-training/Programs/bank_enterprise_award/Pages/apply-step.aspx#), Step1, when selecting the BEA Program Application CIMS3 Instructions document in the "Application Materials" section of the BEA web page on the CDFI Fund's website. If you have any questions or problems with accessing the CIMS Mapping Tool, please contact the CDFI Fund IT Help Desk by telephone at (202) 653-0300, or by IT AMIS Service Request. Please note that a Distressed Community as defined by the BEA Program is not the same as an Investment Area as defined by the CDFI Program, a Low-Income Community as defined by the NMTC Program, or an

Area of Economic Distress as defined by the Capital Magnet Fund Program.

*1. Designation of Distressed Community by a CDFI Partner:* CDFI Partners that receive CDFI Support Activities in the form of loans, technical assistance or deposits from an Applicant must be integrally involved in a Distressed Community. Applicants must provide evidence that each CDFI Partner that is the recipient of CDFI Support Activities is integrally involved in a Distressed Community, as noted in the Application. CDFI Partners that receive Equity Investments, Equity-Like Loans or grants are not required to demonstrate Integral Involvement. Additional information on Integral Involvement can be found in Section V. of this NOFA.

*2. Distressed Community Determination by a BEA Applicant:* Applicants applying for a BEA Program Award for performing Distressed Community Financing Activities or Service Activities must verify that addresses of both Baseline Period and Assessment Period activities are in Distressed Communities when completing their Application.

A BEA Applicant shall determine an area is a Distressed Community by:

a. Selecting a census tract where the Qualified Activity occurred that meets the minimum area and eligibility requirements; or

b. selecting the census tract where the Qualified Activity occurred, plus one or more census tracts directly contiguous to where the Qualified Activity occurred that when considered in the aggregate, meet the minimum area and eligibility requirements set forth in this section.

*F. Award Agreement:* Each Award Recipient under this NOFA must electronically sign an Award Agreement via AMIS prior to payment of the award proceeds by the CDFI Fund. The Award Agreement contains the terms and conditions of the award. For further information, see Section VI. of this NOFA.

*G. Use of Award:* It is the policy of the CDFI Fund that BEA Program Awards may not be used by Award Recipients to recover overhead or Indirect Costs. The Award Recipient may use up to fifteen percent (15%) of the total BEA Program award amount on Qualified Activities as Direct Administrative Expenses. "Direct Administrative Expenses" shall mean Direct Costs, as described in section 2 CFR 200.413 of the Uniform Requirements, which are incurred by the Award Recipient to carry out the Qualified Activities. Such costs must be able to be specifically identified with the Qualified Activities and not also recovered as Indirect Costs.

“Indirect Costs” means costs or expenses defined in accordance with section 2 CFR 200.1 of the Uniform Requirements. In addition, the Award Recipient must comply, as applicable, with the Buy American Act of 1933, 41

U.S.C. 8301–8303 and 2 CFR 200.216 of the Uniform Requirements, with respect to any Direct Costs.

**III. Eligibility Information**

*B. Prior Award Recipients:* The previous success of an Applicant in any of the CDFI Fund’s programs will not be

considered under this NOFA. Prior BEA Program Award Recipients and prior Award Recipients of other CDFI Fund

programs are eligible to apply under this NOFA, except as noted in the following table:

653-0423. The CDFI Fund will respond to Applicants' reporting, compliance, or disbursement questions between the hours of 9:00 a.m. and 5:00 p.m. ET, starting on the date of the publication of this NOFA. The CDFI Fund will not respond to Applicants' reporting, compliance, or disbursement telephone calls or electronic inquiries received after 5:00 p.m. ET on December 10, 2021, until after the Application deadline. The CDFI Fund will respond to technical issues related to AMIS Accounts through 5:00 p.m. ET on December 14, 2021, via an IT AMIS Service Request, email at [AMIS@cdfi.treas.gov](mailto:AMIS@cdfi.treas.gov), or by telephone at (202) 653-0422.

*D. Cost sharing or matching fund requirements:* Not applicable.

#### IV. Application and Submission Information

*A. Address to Request an Application Package:* Application materials can be found on [Grants.gov](http://Grants.gov) and the CDFI Fund's website at [www.cdfifund.gov/beat](http://www.cdfifund.gov/beat). Applicants may request a paper version of any Application material by contacting the CDFI Fund Help Desk at [cdfihelp@cdfi.treas.gov](mailto:cdfihelp@cdfi.treas.gov).

*B. Content and Form of Application Submission:* All Application materials must be prepared using the English language and calculations must be made in U.S. dollars. Applicants must submit all materials described in and required by the Application by the applicable deadlines. Detailed Application content requirements including instructions related to the submission of the Grant Application Package in [Grants.gov](http://Grants.gov) and the FY 2021 BEA Program Application in AMIS, the CDFI Fund's web-based portal, are provided in detail in the Application Instructions. Once an Application is submitted, the Applicant will not be allowed to change any element of the Application. The CDFI Fund reserves the right to request and review other pertinent or public information that has not been specifically requested in this NOFA or the Application.

*C. Application Submission:* The CDFI Fund has a two-step submission process for BEA Applications that requires the submission of required application information on two separate deadlines and in two separate and distinct systems, [Grants.gov](http://Grants.gov) and the CDFI Fund's AMIS. The first step is the submission of the Grant Application, which consists solely of the Office of Management and Budget Standard Form-424 Mandatory (SF-424 Mandatory) *Application for Federal Assistance*, in [Grants.gov](http://Grants.gov). The second

step is to submit an FY 2021 BEA Program Application in AMIS.

*D. Grants.gov:* Applicants must be registered with [Grants.gov](http://Grants.gov) to submit the Grants Application Package. The Grants Application Package consists of one item, the SF-424 Mandatory. In order to register with [Grants.gov](http://Grants.gov), Applicants must have a DUNS number and have an active registration with [SAM.gov](http://SAM.gov). The CDFI Fund strongly encourages Applicants to start the [Grants.gov](http://Grants.gov) registration process as soon as possible (refer to the following link: <https://www.grants.gov/web/grants/register.html>) as it may take several weeks to complete. Applicants that have previously registered with [Grants.gov](http://Grants.gov) must verify that their registration is current and active. Applicants should contact [Grants.gov](http://Grants.gov) directly with questions related to the registration or submission process as the CDFI Fund does not administer or maintain this system.

Applicants are required to submit a Grant Application Package in [Grants.gov](http://Grants.gov) and have it validated by the [Grants.gov](http://Grants.gov) submission deadline of November 12, 2021. The Grant Application Package is validated by [Grants.gov](http://Grants.gov) after the Applicant's initial submission and it may take [Grants.gov](http://Grants.gov) up to 48 hours to complete the validation process. Therefore, the CDFI Fund encourages Applicants to submit the Grant Application Package as early as possible. This will help to ensure that the Grant Application Package is validated before the [Grants.gov](http://Grants.gov) submission deadline and provide time for Applicants to contact [Grants.gov](http://Grants.gov) directly to resolve any submission issues since the CDFI Fund does not administer or maintain that system. For more information about [Grants.gov](http://Grants.gov), please visit <https://www.grants.gov> and see Table 8 for [Grants.gov](http://Grants.gov) contact information.

The CDFI Fund electronically retrieves validated Grant Application Packages from [Grants.gov](http://Grants.gov) and therefore only considers the submission of the Grant Application Package to be successful when it has been validated by [Grants.gov](http://Grants.gov) before the submission deadline. It is the Applicant's sole responsibility to ensure that its Grant Application Package is submitted and validated by [Grants.gov](http://Grants.gov) before the submission deadline. Applicants that do not successfully submit their Grant Application Package and have it validated by the [Grants.gov](http://Grants.gov) submission deadline will not be able to submit a FY 2021 BEA Program Application in AMIS. The CDFI Fund will electronically retrieve validated Grant Application Packages from [Grants.gov](http://Grants.gov)

on a daily basis. Applicants are advised that it will take up to 48 hours from when the CDFI Fund retrieves the validated Grant Application Package for it to be available in AMIS to associate with a FY 2021 BEA Program Application.

Once the CDFI Fund has retrieved the validated Grant Application Package from [Grants.gov](http://Grants.gov) and made it available in AMIS, Applicants must associate it with their Application. Applicants can begin working on their FY 2021 BEA Program Application in AMIS at any time, however, they will not be able to submit the application until the validated Grant Application Package is associated, by the Applicant, with the application. Applicants are advised that the CDFI Fund will not notify them when the validated Grant Application Package has been retrieved from [Grants.gov](http://Grants.gov) or when it is available in AMIS. It is the Applicant's responsibility to ensure that the validated SF-424 Mandatory is associated with its FY 2021 BEA Application in AMIS. Applicants will not be able to submit their FY 2021 BEA Program Application without completing this step.

Applicants are advised that the lookup function in the FY 2021 BEA Application in AMIS, uses the DUNS number reported on the validated Grant Application Package to match it with the correct AMIS Organization account. Therefore, Applicants must make sure the DUNS number included in the Grant Application Package submitted in [Grants.gov](http://Grants.gov) matches the DUNS number in their AMIS Organization account. If, for example, the DUNS number does not match because the Applicant inadvertently used the DUNS number of their Bank Holding Company on the Grant Application Package in [Grants.gov](http://Grants.gov) and is attempting to associate with AMIS Organization account of their FDIC-Insured Bank subsidiary, the lookup function will not return any results and the Applicant will not be able to submit the FY 2021 BEA Application.

Applicants are also highly encouraged to provide EIN, Authorized Representative and/or Contact Person information on the Grant Application Package that matches the information included in AMIS Organization account.

*E. Dun & Bradstreet Universal Numbering System (DUNS):* Pursuant to the Uniform Administrative Requirements, each Applicant must provide, as part of its Application submission, a Dun and Bradstreet Universal Numbering System (DUNS) number. Applicants without a DUNS number will not be able to submit a

Grant Application Package in *Grants.gov*.

Applicants should allow sufficient time for Dun & Bradstreet to respond to inquiries and/or requests for DUNS numbers.

**F. System for Award Management (SAM):** An active SAM account is required to submit the required Grant Application Package in *Grants.gov*. Any entity applying for Federal grants or other forms of Federal financial assistance through *Grants.gov* must be registered in SAM in order to submit its Grant Application Package in *Grants.gov* or FY 2021 BEA Program Application in AMIS. When accessing *SAM.gov*, users will be asked to create a *login.gov* user account (if they don't already have one). Going forward, users will use their *login.gov* username and password every time when logging in to *SAM.gov*. Applicants must have established an active *SAM.gov* account no later than 30 days after the release of this NOFA. The SAM registration process can take three weeks or longer to complete so Applicants are strongly encouraged to begin the registration process upon release of this NOFA in order to avoid potential application submission problems. Applicants that have previously completed the SAM registration process must verify that their SAM accounts are current and active. Applicants are advised to complete the *SAM.gov* process at least 48 hours in advance of the Grants Application Package deadline. Applicants are required to maintain a current and active SAM account at all times during which it has an active Federal award or an Application under consideration for an award by a Federal awarding agency.

An original, signed notarized letter identifying the authorized Entity Administrator for the entity associated with the DUNS number is required by SAM and must be mailed to the Federal

Service Desk. This requirement is applicable to new entities registering in SAM, as well as existing entities with registrations being updated or renewed in SAM. Additional information on the notarized letter process can be located at: <https://www.gsa.gov/about-us/organization/federal-acquisition-service/office-of-systems-management/integrated-award-environment-iae/sam-update-updated-july-11-2018>.

The CDFI Fund will not consider any Applicant that fails to properly register or activate its SAM's account and, as a result, is unable to submit its Grant Application Package in *Grants.gov*, or FY 2021 BEA Program Application in AMIS by the respective deadlines. Applicants must contact SAM directly with questions related to SAM registration or account changes as the CDFI Fund does not administer or maintain this system. For more information about SAM, please visit <https://www.sam.gov> or call 866-606-8220.

**G. AMIS:** All Applicants must complete an FY 2021 BEA Program Application in AMIS, the CDFI Fund's web-based portal. All Applicants must register User and Organization accounts in AMIS by December 10, 2021. In addition, all BEA transactions must be finalized in AMIS by December 10, 2021; this includes address/census tract verification. No transactions can be added, edited, or deleted after this deadline. Failure to register and complete a FY 2021 BEA Program Application in AMIS in accordance with the deadlines noted in Table 1: FY 2021 BEA Program Funding Round—Key Dates for Applicants will result in the CDFI Fund being unable to accept the Application. As AMIS is the CDFI Fund's primary means of communication with Applicants and Award Recipients, institutions must make sure that they update their contact information in their AMIS accounts. In

addition, the Applicant should ensure that the institution information (name, EIN, DUNS number, Authorized Representative, contact information, etc.) on the Grant Application Package submitted as part of the Grant Application Package in *Grants.gov* matches the information in AMIS. EINs and DUNS numbers in the Applicant's SAM account must match those listed in AMIS. For more information on AMIS, please see the information available through the AMIS Home page at <https://amis.cdfifund.gov>. Qualified Activity documentation and other attachments as specified in the applicable BEA Program Application must also be submitted electronically via AMIS. Detailed instructions regarding submission of Qualified Activity documentation is provided in the Application Instructions and AMIS Training Manual for the BEA Program Application. Applicants will not be allowed to submit missing Qualified Activity documentation after the BEA Transactions deadline and any Qualified Activity missing the required documentation will be disqualified. Qualified Activity documentation delivered by hard copy to the CDFI Fund's Washington, DC office address will be rejected, unless the Applicant previously requested a paper version of the Application as described in Section IV.A.

**H. Submission Dates and Times:** The following table provides the critical deadlines for the FY 2021 BEA Funding Round. Applications and any other required documents or attachments received after the applicable deadline will be rejected. The document submission deadlines stated in this NOFA and the Application are strictly enforced. The CDFI Fund will not grant exceptions or waivers for late submissions except where the submission delay was a direct result of a Federal government administrative or technological error.

TABLE 4—CRITICAL DEADLINES FOR FY 2021 BEA FUNDING ROUND

Description	Deadline	Time (eastern time)
Grant Application Package/SF-424 Mandatory, <i>Submission Method: Electronically via Grants.gov</i> .	November 12, 2021 ....	11:59 p.m. ET.
FY 2021 BEA Program Application, <i>Submission Method: Electronically via AMIS</i> .....	December 14, 2021 ....	5:00 p.m. ET.

**1. Confirmation of Application Submission:** Applicants may verify that their Grant Application Package was successfully submitted and validated in *Grants.gov* and that their FY 2021 BEA Program Application was successfully submitted in AMIS. Applicants should

note that the Grant Application Package consists solely of the SF-424 Mandatory and has a different deadline than the FY 2021 BEA Program Application. These deadlines are provided above in Table 4: FY 2021 BEA Program Funding Round Critical Deadlines for Applicants. If the

Grant Application Package is not successfully submitted and subsequently validated by *Grants.gov* by the deadline, the CDFI Fund will not review the FY 2021 BEA Program Application or any of the application related material submitted in AMIS and

the Application will be deemed ineligible.

*a. Grants.gov Submission*

**Information:** In order to determine whether the Grant Application Package was submitted properly, each Applicant should: (1) Receive two separate emails from *Grants.gov*, and (2) perform an independent step in *Grants.gov* to determine whether the Grant Application was validated. Each Applicant will receive the first email from *Grants.gov* immediately after the Grant Application Package is submitted confirming that the submission has entered the *Grants.gov* system. This email will contain a tracking number. Within 48 hours, the Applicant will receive a second email which will indicate if the submitted Grant Application Package was successfully validated or rejected with errors. However, Applicants should not rely on the second email notification from *Grants.gov* to confirm that the Grant Application Package was validated. Instead, Applicants should then perform an independent step in *Grants.gov* to determine if the Grant Application Package status shows as “Validated” by clicking on the “Applicants” menu, followed by clicking “Track my Application,” and then entering the tracking number provided in the first email. The Grant Application Package cannot be retrieved by the CDFI Fund until it has been validated by *Grants.gov*.

*b. AMIS Submission Information:*

AMIS is the web-based portal where Applicants will directly enter their application information and add supporting documentation, when applicable. The CDFI Fund strongly encourages the Applicant to allow sufficient time to confirm the Application content, review the material submitted, and remedy any issues prior to the BEA Transactions deadline. Only the Authorized Representative or an Application Point of Contact can submit the FY 2021 BEA Program Application in AMIS.

Applicants will not receive an email confirming that their FY 2021 BEA Program Application was successfully submitted in AMIS. Instead, Applicants should check their AMIS account to ensure that the status of the FY 2021 BEA Program Application shows “Under Review.” Step-by-step instructions for submitting an FY 2021 BEA Program Application in AMIS are provided in the Application Instructions, Supplemental Guidance, and AMIS Training Manual for the BEA Program Electronic Application.

*2. Multiple Application Submissions:*

If an Applicant submits multiple

versions of its Grant Application Package in *Grants.gov*, the Applicant can only associate one with its FY 2021 BEA Program Application in AMIS.

Applicants can only submit one FY 2021 BEA Program Application in AMIS. Upon submission, the Application will be locked and cannot be resubmitted, edited, or modified in any way. The CDFI Fund will not unlock a submitted Application or allow multiple Application submissions.

*3. Late Submission:* The CDFI Fund will not accept an SF-424 Mandatory in *Grants.gov* or an FY 2021 BEA Program Application in AMIS if it is not signed by an Authorized Representative or submitted after the respective deadlines. In either case, the CDFI Fund will not review any material submitted, and the Application will be deemed ineligible, except where the submission delay was a direct result of a Federal government administrative or technological error. This exception includes any errors associated with *Grants.gov*, *SAM.gov*, AMIS or any other applicable government system. Please note that this exception does not apply to errors arising from obtaining a DUNS number from Dun & Bradstreet, which is not a government entity. An Applicant unable to make timely submission of its Application due to any errors in the process of obtaining a DUNS number will not be allowed to submit its Application after the Application deadline has passed. In such case, the Applicant must submit their request for acceptance of a late Application submission to the BEA Program Office via an AMIS Service Request with documentation that clearly demonstrates the error by no later than two business days after the applicable Application deadline for *Grants.gov* or AMIS. The CDFI Fund will not respond to a request for acceptance of late Application submissions after that time period. The AMIS Service Request must be directed to the BEA Program with a subject line of “FY 2021 BEA Late Application Submission Request.”

*1. Funding Restrictions:* BEA Program Awards are limited by the following:

1. The Award Recipient shall use BEA Program Award funds only for the eligible activities described in Section II. D. of this NOFA and the Authorized BEA Program Activities described in its Award Agreement.

2. The Award Recipient may not distribute BEA Program Award funds to an Affiliate, Subsidiary, or any other entity, without the CDFI Fund’s prior written approval.

3. BEA Program Award funds shall only be disbursed to the Award Recipient.

4. The CDFI Fund, in its sole discretion, may disburse BEA Program Award funds in amounts, or under terms and conditions, which are different from those requested by an Applicant.

*J. Other Submission Requirements:* None.

**V. Application Review Information**

*A. Criteria:* If the Applicant submitted a complete and eligible Application, the CDFI Fund will conduct a substantive review in accordance with the criteria and procedures described in the Regulations, this NOFA, the Application guidance, and the Uniform Requirements. The CDFI Fund reserves the right to contact the Applicant by telephone, email, or mail for the sole purpose of clarifying or confirming Application information. If contacted, the Applicant must respond within the time period communicated by the CDFI Fund or run the risk that its Application will be rejected.

The CDFI Fund will not collect or accept any Personally Identifiable Information (PII) in AMIS or in any of the application submission materials. PII is information, which if lost, compromised, or disclosed without authorization, could result in substantial harm, embarrassment, inconvenience, or unfairness to an individual. Although Applicants are required to enter addresses of individual borrowers/residents of Distressed Communities in AMIS, Applicants must not include the following PII for the individuals who received the financial products or services in AMIS or in the supporting documentation: Name of the individual, Social Security Number, driver’s license or state identification number, passport number, and Alien Registration Number. This information should be redacted from all supporting documentation. If the CDFI Fund discovers PII during the review of an Application, the transaction will be deleted from the application record and deemed ineligible.

*1. CDFI Related Activities:* CDFI Related Activities include Equity Investments, Equity-Like Loans, and CDFI Support Activities provided to eligible CDFI Partners.

*2. Eligible CDFI Partner:* CDFI Partner is defined as a certified CDFI that has been provided assistance in the form of CDFI Related Activities by an unaffiliated Applicant (12 CFR 1806103). For the purposes of this NOFA, an eligible CDFI Partner must have been certified as a CDFI as of the date that the BEA Applicant made its investment or provided support, and be Integrally Involved in a Distressed

Community (if the BEA Applicant provided CDFI Support Activities to the CDFI Partner).

3. *Integrally Involved*: Integrally Involved is defined at 12 CFR 1806.103. For purposes of this NOFA, in order for an Applicant to report CDFI Support Activities in its Application, the CDFI Partner which received the support must be deemed to be Integrally Involved by demonstrating it has: (i) Provided at least 10 percent of the number of its financial transactions or dollars transacted (e.g., loans or Equity Investments), or 10 percent of the number of its Development Service Activities (as defined in 12 CFR 1805.104) or value of the administrative cost of providing such services, in one or more Distressed Communities identified by the CDFI Partner, in each of the three calendar years preceding the date of this NOFA; (ii) transacted at least 25 percent of the number of its financial transactions or dollars transacted (e.g., loans or equity investments) in one or more Distressed Communities in at least one of the three calendar years preceding the date of this NOFA, or 25 percent of the number of its Development Service Activities (as defined in 12 CFR 1805.104) or value of the administrative cost of providing such services, in one or more Distressed Communities identified by the CDFI Partner, in at least one of the three calendar years preceding the date of this NOFA; (iii) demonstrated that it has attained at least 10 percent of market share for a particular financial product in one or more Distressed Communities (such as home mortgages originated in one or more Distressed Communities) in at least one of the three calendar years preceding the date of this NOFA; or (iv) at least 25 percent of the CDFI Partner's physical locations (e.g., offices or branches) are located in one or more Distressed Communities where it provided financial transactions or Development Service Activities during the one calendar year preceding the date of the NOFA.

4. *Limitations on eligible Qualified Activities provided to certain CDFI Partners*: A CDFI Applicant cannot receive credit for any financial assistance or Qualified Activities provided to a CDFI Partner that is also an FDIC-insured depository institution or depository institution holding company.

5. *Certificates of Deposit*: Section 1806.103 of the Interim Rule states that any certificate of deposit (CD) placed by an Applicant or its Subsidiary in a CDFI Partner that is a bank, thrift, or credit union must be: (i) Uninsured and committed for at least three years; or (ii)

insured, committed for a term of at least three years, and provided at an interest rate that is materially below market rates, in the determination of the CDFI Fund.

a. For purposes of this NOFA, "materially below market interest rate" is defined as an annual percentage rate that does not exceed the yields on Treasury securities at constant maturity as interpolated by Treasury from the daily yield curve and available on the Treasury website at [www.treas.gov/offices/domestic-finance/debt-management/interest-rate/yield.shtml](http://www.treas.gov/offices/domestic-finance/debt-management/interest-rate/yield.shtml). For example, for a three-year CD, Applicants should use the three-year rate U.S. Government securities, Treasury Yield Curve Rate posted for that business day. The Treasury updates the website daily at approximately 5:30 p.m. ET. CDs placed prior to that time may use the rate posted for the previous business day. The annual percentage rate on a CD should be compounded daily, quarterly, semi-annually, or annually. If a variable interest rate is used, the CD must also have an interest rate that is materially below the market interest rate over the life of the CD, in the determination of the CDFI Fund. If a variable rate is used, the Applicant must describe its methodology for determining that the interest rate over the life of the CD is a materially below market interest rate. The CDFI Fund reserves the right to follow up with an Applicant regarding variable interest rate CD transactions.

b. For purposes of this NOFA, a deposit placed by an Applicant directly with a CDFI Partner that participates in a deposit network or service may be treated as eligible under this NOFA if it otherwise meets the criteria for deposits in 12 CFR 1806.103 and the CDFI Partner retains the full amount of the initial deposit or an amount equivalent to the full amount of the initial deposit through a deposit network exchange transaction.

6. *Equity Investment*: An Equity Investment means financial assistance provided by an Applicant or its Subsidiary to a CDFI, which CDFI meets such criteria as set forth in this NOFA, in the form of a grant, a stock purchase, a purchase of a partnership interest, a purchase of a limited liability company membership interest, or any other investment deemed to be an Equity Investment by the CDFI Fund.

7. *Equity-Like Loan*: An Equity-Like Loan is a loan provided by an Applicant or its Subsidiary to a CDFI, and made on such terms that it has characteristics of an Equity Investment, as such characteristics may be specified by the CDFI Fund (12 CFR 1806.103). For

purposes of this NOFA, an Equity-Like Loan must meet the following characteristics:

a. At the end of the initial term, the loan must have a definite rolling maturity date that is automatically extended on an annual basis if the CDFI borrower continues to be financially sound and carry out a community development mission;

b. Periodic payments of interest and/or principal may only be made out of the CDFI borrower's available cash flow after satisfying all other obligations;

c. Failure to pay principal or interest (except at maturity) will not automatically result in a default of the loan agreement; and

d. The loan must be subordinated to all other debt except for other Equity-Like Loans. Notwithstanding the foregoing, the CDFI Fund reserves the right to determine, in its sole discretion and on a case-by-case basis, whether an instrument meets the above-stated characteristics of an Equity-Like Loan.

8. *CDFI Support Activity*: A CDFI Support Activity is defined as assistance provided by an Applicant or its Subsidiary to a CDFI that is Integrally Involved in a Distressed Community, in the form of a loan, Technical Assistance, or deposits.

9. *CDFI Program Matching Funds*: Equity Investments, Equity-Like Loans, and CDFI Support Activities (except Technical Assistance) provided by a BEA Applicant to a CDFI and used by the CDFI for matching funds under the CDFI Program are eligible as a Qualified Activity under the CDFI Related Activity category.

10. *Commercial Loans and Investments*: Commercial Loans and Investments is a sub-category of Distressed Community Financing Activities and is defined as the following lending activity types: Affordable Housing Development Loans and related Project Investments; Commercial Real Estate Loans and related Project Investments; and Small Business Loans and related Project Investments.

11. *Consumer Loans*: Consumer Loans is a sub-category of Distressed Community Financing Activities and is defined as the following lending activity types: Affordable Housing Loans; Education Loans; Home Improvement Loans; and Small Dollar Consumer Loans.

12. *Distressed Community Financing Activities and Service Activities*: Distressed Community Financing Activities comply with consumer protection laws and are defined as (1) Consumer Loans; or (2) Commercial Loans and Investments. In addition to

the requirements set forth in the Interim Rule, this NOFA provides the following additional requirements:

*a. Affordable Housing Development Loans and Related Project Investments:* For purposes of this NOFA, eligible Affordable Housing Development Loans and related Project Investments do not include housing for students, or school dormitories. In addition, for such transactions, Applicants will be required to provide supporting documentation that demonstrates that at least 60 percent of the units in the property financed are or will be sold or rented to Eligible Residents who meet Low-and-Moderate-income requirements, as noted in the Application instructions.

*b. Commercial Real Estate Loans and related Project Investments:* For purposes of this NOFA, eligible Commercial Real Estate Loans (12 CFR 1806.103) and related Project Investments are generally limited to transactions with a total principal value of \$10 million or less. Notwithstanding the foregoing, the CDFI Fund, in its sole discretion, may consider transactions with a total principal value of over \$10 million, subject to review. For such transactions, Applicants must provide a separate narrative, or other information, to demonstrate that the proposed project offers, or significantly enhances the quality of, a facility or service not currently provided to the Distressed Community.

*c. Small Dollar Consumer Loan:* For purposes of this NOFA, eligible Small Dollar Consumer Loans are affordable loans that serve as available alternatives to the marketplace for individuals who are Eligible Residents with a total principal value of no less than \$500 and no greater than \$5,000 and have a term of ninety (90) days or more.

*d. Distressed Community Financing Activities—Transactions Less Than \$250,000:* For purposes of this NOFA, Applicants are expected to maintain records for any transaction submitted as part of the FY 2021 BEA Program Application, including supporting documentation for transactions in the Distressed Community Financing Activity category of less than \$250,000. The CDFI Fund reserves the right to request supporting documentation from an Applicant during its Application

Review process for a Distressed Community Financing Activities transaction less than \$250,000.

*e. Low- and Moderate-Income residents:* For the purposes of this NOFA, Low-Income means borrower income that does not exceed 80 percent of the area median income, and Moderate-Income means borrower income may be 81 percent to no more than 120 percent of the area median income, according to the U.S. Census Bureau data.

*13. Reporting Certain Financial Services:* The CDFI Fund will value the administrative cost of providing certain Financial Services using the following per unit values:

a. \$100.00 per account for Targeted Financial Services including safe transaction accounts, youth transaction accounts, Electronic Transfer Accounts and Individual Development Accounts;

b. \$50.00 per account for checking and savings accounts that do not meet the definition of Targeted Financial Services;

c. \$5.00 per check cashing transaction;

d. \$50,000 per new ATM installed at a location in a Distressed Community;

e. \$500,000 per new retail bank branch office opened in a Distressed Community, including school-based bank branches approved by the Applicant's Federal bank regulator;

f. In the case of Applicants engaging in Financial Services activities not described above, the CDFI Fund will determine the unit value of such services;

g. When reporting the opening of a new retail bank branch office, the Applicant must certify that such new branch is intended to remain in operation for at least the next five years;

h. Financial Service Activities must be provided by the Applicant to Eligible Residents or enterprises that are located in a Distressed Community. An Applicant may determine the number of Eligible Residents who are Award Recipients of Financial Services by either: (i) Collecting the addresses of its Financial Services customers, or (ii) certifying that the Applicant reasonably believes that such customers are Eligible Residents or enterprises located in a Distressed Community and providing a brief analytical narrative with

information describing how the Applicant made this determination. Citations must be provided for external sources. In addition, if external sources are referenced in the narrative, the Applicant must explain how it reached the conclusion that the cited references are directly related to the Eligible Residents or enterprises to whom it is claiming to have provided the Financial Services; and

i. When reporting changes in the dollar amount of deposit accounts, only calculate the net change in the total dollar amount of eligible Deposit Liabilities between the Baseline Period and the Assessment Period. Do not report each individual deposit. If the net change between the Baseline Period and Assessment Period is a negative dollar amount, then a negative dollar amount may be recorded for Deposit Liabilities only. Instructions for determining the net change is available in the FY 2021 BEA Program Application in AMIS.

*14. Priority Factors: Priority Factors are the numeric values assigned to individual types of activity within:* (i) The Distressed Community Financing Activities, and (ii) Services Activities categories of Qualified Activities. For the purposes of this NOFA, Priority Factors will be based on the Applicant's asset size as of the end of the Assessment Period (December 31, 2020) as reported by the Applicant in the Application. Asset size classes (*i.e.*, small institutions, intermediate-small institutions, and large institutions) will correspond to the Community Reinvestment Act (CRA) asset size classes set by the three Federal bank regulatory agencies and that were effective as of the end of the Assessment Period. The Priority Factor works by multiplying the change in a Qualified Activity by the assigned Priority Factor to achieve a "weighted value." This weighted value of the change would be multiplied by the applicable Award percentage to yield the Award amount for that particular activity. For purposes of this NOFA, the CDFI Fund is establishing Priority Factors based on Applicant asset size to be applied to all activity types within the Distressed Community Financing Activities and Service Activities categories only, as follows:

TABLE 5—CRA ASSET SIZE CLASSIFICATION

	Priority factor
Small institutions (assets of less than \$330 million as of 12/31/2020) .....	5.0
Intermediate—small institutions (assets of at least \$330 million but less than \$1.322 billion as of 12/31/2020) .....	3.0
Large institutions (assets of \$1.322 billion or greater as of 12/31/2020) .....	1.0

*15. Certain Limitations on Qualified Activities:*

*a. Low-Income Housing Tax Credits:* Financial assistance provided by an Applicant for which the Applicant receives benefits through Low-Income Housing Tax Credits, authorized pursuant to Section 42 of the Internal Revenue Code, as amended (26 U.S.C. 42), shall not constitute an Equity Investment, Project Investment, or other Qualified Activity, for the purposes of calculating or receiving a BEA Program Award.

*b. New Markets Tax Credits:* Financial assistance provided by an Applicant for which the Applicant receives benefits as an investor in a Community Development Entity that has received an allocation of New Markets Tax Credits, authorized pursuant to Section 45D of the Internal Revenue Code, as amended (26 U.S.C. 45D), shall not constitute an Equity Investment, Project Investment, or other Qualified Activity, for the purposes of calculating or receiving a BEA Program Award. Leverage loans used in New Markets Tax Credit structured transactions that meet the requirements outlined in this NOFA are considered Distressed Community Financing Activities. The application materials will provide further guidance on requirements for BEA transactions which were leverage loans used in a New Markets Tax Credit structured transaction.

*c. Loan Renewals and Refinances:* Financial assistance provided by an Applicant shall not constitute a Qualified Activity, as defined in this part, for the purposes of calculating or receiving a BEA Program Award if such financial assistance consists of a loan to a borrower that has matured and is then renewed by the Applicant, or consists of a loan to a borrower that is retired or restructured using the proceeds of a new commitment by the Applicant.

*d. Certain Business Types:* Financial assistance provided by an Applicant shall not constitute a Qualified Activity, as defined in this part, for the purposes of financing the following business types: Adult entertainment providers, golf courses, race tracks, gambling facilities, country clubs, facilities offering massage services, hot tub facilities, suntan facilities, or stores where the principal business is the sale of alcoholic beverages for consumption off premises.

*e. Prior BEA Program Awards:* Qualified Activities funded with prior funding round BEA Program Award dollars or funded to satisfy requirements of the BEA Program Award Agreement shall not constitute a Qualified Activity

for the purposes of calculating or receiving a BEA Program Award.

*f. Prior CDFI Fund Awards:* No Applicant may receive a BEA Program Award for the same activities funded by another CDFI Fund program or Federal program.

*16. Award Percentages, Award Amounts, Application Review Process, Selection Process, Programmatic and Financial Risk, and Application Rejection:* The Interim Rule and this NOFA describe the process for selecting Applicants to receive a BEA Program Award and determining Award amounts.

*a. Award percentages:* In the CDFI Related Activities subcategory of CDFI Equity, for all Applicants, the estimated award amount will be equal to 18 percent of the increase in Qualified Activities reported in this subcategory.

In the CDFI Related Activities subcategory of CDFI Support Activities, for a certified CDFI Applicant, the estimated award amount will be equal to 18 percent of the increase in Qualified Activities in this subcategory. If an Applicant is not a certified CDFI, the estimated award amount will be equal to 6 percent of the increase in Qualified Activities in this subcategory.

In Distressed Community Financing Activities' subcategory of Consumer Lending, the estimated award amount for certified CDFI Applicants will be 18 percent of the weighted value of the increase in Qualified Activities in this subcategory. If an Applicant is not a certified CDFI Applicant, the estimated award amount will be equal to 6 percent of the weighted value of the increase in Qualified Activities in this subcategory.

In the Distressed Community Financing Activities subcategory of Commercial Lending and Investments, for a certified CDFI Applicant, the estimated award amount will be equal to 9 percent of the weighted value of the increase in Qualified Activities in this subcategory. If an Applicant is not a certified CDFI, the estimated award amount will be equal to 3 percent of the weighted value of the increase in Qualified Activity in this subcategory.

In the Service Activities category, for a certified CDFI Applicant, the estimated award amount will be equal to 9 percent of the weighted value of the increase in Qualified Activity for the category. If an Applicant is not a certified CDFI, the estimated award amount will be equal to 3 percent of the weighted value of the increase in Qualified Activity for the category.

*b. Award Amounts:* An Applicant's estimated award amount will be calculated according to the procedure outlined in the Interim Rule (at 12 CFR

1806.403). As outlined in the Interim Rule at 12 CFR 1806.404, the CDFI Fund will determine actual Award amounts based on the availability of funds, increases in Qualified Activities from the Baseline Period to the Assessment Period, and the priority ranking of each Applicant.

In calculating the increase in Qualified Activities, the CDFI Fund will determine the eligibility of each transaction for which an Applicant has applied for a BEA Program Award. In some cases, the actual award amount calculated by the CDFI Fund may not be the same as the estimated award amount requested by the Applicant.

For purposes of calculating award payment amounts, the CDFI Fund will treat Qualified Activities with a total principal amount less than or equal to \$250,000 as fully disbursed. For all other Qualified Activities, Award Recipients will have 12 months from the end of the Assessment Period to make disbursements and 15 months from the end of the Assessment Period to submit to the CDFI Fund subsequent payment requests for the corresponding portion of their awards, after which the CDFI Fund will rescind and de-obligate any outstanding award balance and said outstanding award balance will no longer be available to the Award Recipient.

*B. Review and Selection Process:*

*1. Application Review Process:* All Applications will be initially evaluated by external non-Federal reviewers. Reviewers are selected based on their experience in understanding various financial transactions, reading and interpreting financial documentation, strong written communication skills, and strong mathematical skills. Reviewers must complete the CDFI Fund's conflict of interest process and be approved by the CDFI Fund.

*2. Selection Process:* If the amount of funds available during the funding round is insufficient for all estimated Award amounts, Award Recipients will be selected based on the process described in the Interim Rule at 12 CFR 1806.404. This process gives funding priority to Applicants that undertake activities in the following order: (i) CDFI Related Activities, (ii) Distressed Community Financing Activities, and (iii) Service Activities, as described in the Interim Rule at 12 CFR 1806.404(c).

Within each category, CDFI Applicants will be ranked first according to the ratio of the actual award amount calculated by the CDFI Fund for the category to the total assets of the Applicant, followed by Applicants that are not CDFI Applicants according to the ratio of the actual

award amount calculated by the CDFI Fund for the category to the total assets of the Applicant.

Selections within each priority category will be based on the Applicants' relative rankings within each such category, subject to the availability of funds and any established maximum dollar amount of total awards that may be awarded for the Distressed Community Financing Activities category of Qualified Activities, as determined by the CDFI Fund.

The CDFI Fund, in its sole discretion: (i) May adjust the estimated award amount that an Applicant may receive; (ii) may establish a maximum amount that may be awarded to an Applicant; and (iii) reserves the right to limit the amount of an award to any Applicant if the CDFI Fund deems it appropriate.

The CDFI Fund reserves the right to contact the Applicant to confirm or clarify information. If contacted, the Applicant must respond within the CDFI Fund's time parameters or the Application may be rejected.

The CDFI Fund reserves the right to change its eligibility and evaluation criteria and procedures. If those changes materially affect the CDFI Fund's award decisions, the CDFI Fund will provide information regarding the changes through the CDFI Fund's website.

**3. Programmatic and Financial Risk:** The CDFI Fund will consider safety and soundness information from the appropriate Federal bank regulatory agency as defined in Section 3 of the Federal Deposit Insurance Act (12 U.S.C. 1813(q)). If the appropriate Federal bank regulatory agency identifies safety and soundness concerns, the CDFI Fund will assess whether the concerns cause or will cause the Applicant to be incapable of completing the activities for which funding has been requested. The CDFI Fund will not approve a BEA Program Award under any circumstances for an Applicant if the appropriate Federal bank regulatory agency indicates that the Applicant received a composite rating of "5" on its most recent examination, performed in accordance with the Uniform Financial Institutions Rating System.

Furthermore, the CDFI Fund will not approve a BEA Program Award for an Applicant that has:

(i) A CRA assessment rating of below "Satisfactory" on its most recent examination; (ii) a financial audit with: A going concern paragraph, an adverse opinion, a disclaimer of opinion, or a withdrawal of an opinion on its most recent audit; or (iii) a Prompt Corrective Action directive from its regulator imposing restrictions on its level of

lending activities, that was active at the time the Applicant submitted its Application to the CDFI Fund or becomes active during the CDFI Fund's evaluation of the Application for: Activities which funding has been requested, activities which meet the BEA Program criteria of Qualified Activities, or other circumstances which may impact an Applicant's ability to successfully manage, re-invest, and/or report on a FY 2021 BEA Program Award.

Applicants and/or their appropriate Federal bank regulator agency may be contacted by the CDFI Fund to provide additional information related to Federal bank regulatory or CRA information. The CDFI Fund will consider this information and may choose to not approve a FY 2021 BEA Program Award for an Applicant if the information indicates that the Applicant may be unable to responsibly manage, re-invest, and/or report on a FY 2021 BEA Program Award during the period of performance.

**4. Persistent Poverty Counties:** Should the CDFI Fund determine, upon analysis of the initial pool of BEA Program Award Recipients, that it has not achieved the 10 percent PPC requirement mandated by Congress, Award preference will be given to Applicants that committed to deploying a minimum of 10 percent of their FY 2021 BEA Program Award in PPCs. Applicants may be required to deploy more than the minimum commitment percentage, but the percentage required should not exceed the maximum commitment percentage provided in the Application. Applicants that committed to serving PPCs and are selected to receive a FY 2021 BEA Program award, will have their PPC commitment incorporated into their Award Agreement as a Performance Goal which will be subject to compliance and reporting requirements. No Applicant, however, will be disqualified from consideration for not making a PPC commitment in its BEA Program Application.

**5. Application Rejection:** The CDFI Fund reserves the right to reject an Application if information (including administrative error) comes to the CDFI Fund's attention that either: adversely affects an Applicant's eligibility for an award; adversely affects the CDFI Fund's evaluation or scoring of an Application; or indicates fraud or mismanagement on the Applicant's part. If the CDFI Fund determines any portion of the Application is incorrect in a material respect, the CDFI Fund reserves the right, in its sole discretion, to reject the Application.

There is no right to appeal the CDFI Fund's award decisions. The CDFI Fund's award decisions are final. The CDFI Fund will not discuss the specifics of an Applicant's FY 2021 BEA Program Application or provide reasons why an Applicant was not selected to receive a FY 2021 BEA Program Award. The CDFI Fund will only respond to general questions regarding the FY 2021 BEA Program Application and award decision process until 30 days after the award announcement date.

**C. Anticipated Announcement and Federal Award Dates:** The CDFI Fund anticipates making its FY 2021 BEA Program award announcement in the summer of 2021. The Federal Award Date shall be the date that the CDFI Fund executes the Award Agreement.

## VI. Federal Award Administration Information

**A. Federal Award Notices:** The CDFI Fund will notify an Applicant of its selection as an Award Recipient by delivering a notification or letter. The Award Agreement will contain the general terms and conditions governing the CDFI Fund's provision of an Award. The Award Recipient will receive a copy of the Award Agreement via AMIS. The Award Recipient is required to sign the Award Agreement via an electronic signature in AMIS. The CDFI Fund will subsequently execute the Award Agreement. Each Award Recipient must also ensure that complete and accurate banking information is reflected in its SAM account at [www.sam.gov](http://www.sam.gov) in order to receive its award payment.

**B. Administrative and National Policy Requirements:** If, prior to entering into an Award Agreement, information (including an administrative error) comes to the CDFI Fund's attention that adversely affects: The Award Recipient's eligibility for an award; the CDFI Fund's evaluation of the Application; the Award Recipient's compliance with any requirement listed in the Uniform Requirements; or indicates fraud or mismanagement on the Award Recipient's part, the CDFI Fund may, in its discretion and without advance notice to the Award Recipient, terminate the award or take other actions as it deems appropriate.

If the Award Recipient's certification status as a CDFI changes, the CDFI Fund reserves the right, in its sole discretion, to re-calculate the award, and modify the Award Agreement based on the Award Recipient's non-CDFI status.

By executing an Award Agreement, the Award Recipient agrees that, if the CDFI Fund becomes aware of any information (including an administrative error) prior to the

effective date of the Award Agreement that either adversely affects the Award Recipient's eligibility for an award, or adversely affects the CDFI Fund's evaluation of the Award Recipient's Application, or indicates fraud or mismanagement on the part of the Award Recipient, the CDFI Fund may, in its discretion and without advance

notice to the Award Recipient, terminate the Award Agreement or take other actions as it deems appropriate.

The CDFI Fund reserves the right, in its sole discretion, to rescind an award if the Award Recipient fails to return the Award Agreement, signed by the authorized representative of the Award Recipient, and/or provide the CDFI

Fund with any other requested documentation, within the CDFI Fund's deadlines.

In addition, the CDFI Fund reserves the right, in its sole discretion, to terminate and rescind the Award Agreement and the award made under this NOFA for any criteria described in the following table:

This will require Award Recipients to establish administrative controls, subject to applicable OMB Circulars. The CDFI Fund will collect information from each such Award Recipient on its

use of the award at least once following the award and more often if deemed appropriate by the CDFI Fund in its sole discretion. The CDFI Fund will provide guidance to Award Recipients outlining the format and content of the information required to be provided to describe how the funds were used.

The CDFI Fund may collect information from each Award Recipient including, but not limited to, an Annual Report with the following components:
