Application Vs. Authorized Award Activities

- The Recipient is responsible for ensuring that activities performed with SDL Program Assistance are allowable per the terms of the Assistance Agreement.
General Award Terms and Conditions

- Recipients may **not** use any SDL Program Assistance received for the prohibited activities set forth in the SDL Program Assistance Agreement.

- The CDFI Fund reserves the right to require the Recipient to repay all or a portion of the award if the Recipient expends funds for an unallowable activity.

• Your SDL Program Assistance cannot be used to make loans directly to consumers.

- Forced arbitration clause and class action ban

By executing the Assistance Agreement, you are attesting that no loans supported by the SDL Program Award contain any of the above practices or features. Refer to Section 3.8(d) of the Assistance Agreement for more details.
Eligible Uses of Award - Capital

3. Upload the Certificate of Good Standing in the “Notes & Attachments” section and click on “Save”.

Delays in the closing process may occur if you submit late!
Making Changes to an Assistance Agreement

- Before an Assistance Agreement is executed, Recipients have the opportunity to request a modification to their Assistance Agreement.
  - Modifications must be requested by submitting a Service Request and completing the Request Change form in AMIS.
- In accordance with Section 7.9 of the Assistance Agreement, a Recipient may request an Amendment after their Assistance Agreement has been executed.
  - Amendment requests must be submitted via a Service Request in AMIS.
- The CDFI Fund will approve modification and/or amendment requests on a limited basis at its own discretion. Recipients should **not** assume that all modification and/or amendment requests that are submitted will be approved.
The full amount of any LLR component of Award will be disbursed as part of the initial disbursement.

For TA Award Components, Recipients must indicate the amount of its TA Award it intends to expend within the first 12 months after the Award Announcement. This request must be completed via an AMIS Service Request. All Subsequent Payment Requests must be submitted within twelve (12) months, but no earlier than six (6) months, of the initial Payment date.

Subsequent Payment requests for TA Awards will be requested via AMIS.
Help and Resources

For the best service, the CDFI Fund recommends submitting a Service Request in AMIS. Select “BEA/SDLP” and clearly indicate the issue in the subject line.
