NMTC Allocation Application Evaluation Process: Flowchart

Phase 1: Peer Review

External reviewers evaluate and score Part I and Part II of applications.

Selection of Applicants:

Selecting Official makes final determinations based upon panel recommendations.

Phase 2: Panel Review

Applications that meet minimum scoring thresholds are evaluated, based on rank score, by a CDFI Fund panel.

Details on the previous round Application Evaluation process can be found on the CDFI Fund's website (www.cdfifund.gov/nmtc). Details on the current Application Evaluation process can be found in the NOAA (Section V – Application Review Information).

NMTC Allocation Application Evaluation Process: Phase 1 – Peer Review

- Each Reviewer may award an application a maximum of 60 points.
- Two sections of 25 points each:
 - Part I: Business Strategy
 - Part II: Community Outcomes
- *Applicants* may also earn 10 “priority points.”
- Not Scored in Phase 1:
 - Q.19, Q.22, and Q. 24 in Business Strategy
 - Part III (Management Capacity),
 - Part IV (Capitalization Strategy), and
 - Part V (Previous Awards).

NMTC Allocation Application Evaluation Process: Phase 1 – Peer Review

- In Phase 1, each eligible *Applicant* is reviewed by two independent reviewers.
 - Reviewers consist of public and private sector professionals with strong credentials in community and economic development finance.
- To ensure consistency with scoring guidelines, each reviewer evaluation form is reviewed by a team leader before it is accepted.
 - Team leaders consist of CDFI Fund staff and other Federal employees.

NMTC Allocation Application Evaluation Process: Phase 1 – Peer Review

- After the Business Strategy & Community Outcomes sections of each application are reviewed by the two independent reviewers, an analysis is conducted to identify if there is an anomalous score.
- An anomalous score may be deemed to occur when the two reviewers' scores vary significantly.
- When an anomalous reviewer score will impact the ability of any *Applicant* to receive an award, a third independent reviewer will be used to determine whether the anomalous score should be replaced.

NMTC Allocation Application Evaluation Process: Phase 2 – Panel Review

- *Applicants* with Phase 1 review scores within the “Highly Qualified” benchmarks will be ranked in descending order based on their Phase 1 Rank Score.
 - Phase 1 Rank Score is calculated by adding the *Applicant’s* scores in the Business Strategy and Community Outcomes sections along with half of the total priority points.
- Highly Qualified *Applicants* will be forwarded for a Phase 2 Panel Review in descending order of the Phase 1 Rank Score.

NMTC Allocation Application Evaluation Process: Phase 2 – Panel Review

- The Panel will review the Application contents, Phase 1 reviewer comments, as well as any other relevant compliance, eligibility, due diligence, and regulatory information.
- The Panel will review Section III (Management Capacity), Section IV (Capitalization Strategy), and Section V (Information Regarding Previous Allocations).
- Additionally, the Panel will review past transactions from *Applicants* who are prior *Allocatees*.
- At the conclusion of Phase 2, the Panel's allocation award recommendations are forwarded to the Selecting Official.

NMTC Allocation Application Evaluation Process: Selection of Allocatees

- The Selecting Official makes “preliminary determinations” based on Panel recommendations, review of Phase 1 and application materials, and any additional due diligence undertaken.
 - Adjustments may be made to the final pool of *Allocatees* based on relevant regulatory agency information (in the case of regulated depository institutions), compliance with award or *Allocation Agreement(s)*, eligibility, and due diligence checks (e.g. omission of required information, common enterprise), including review of past transactions from *Applicants* who are prior *Allocatees*.
 - Adjustments may be made to the final pool to ensure proportional investments in *Non-Metropolitan Counties* and/or representation of *Rural CDEs*.
 - Adjustments may be made to ensure that the *NMTC Allocation* awards do not exceed the allocation authority for this Round.
