<sup>1</sup> Other data fields not identified on this list are automatically populated in the Uses of Award Report, using the information stored in the organizations Awards Management Information System (AMIS) account. Please refer to the appropriate Uses of Award Report user guide for more information on the data fields that are auto-populated.

<sup>2</sup> Authorized BEA Program Activities are defined in Schedule 2 of the BEA Program Award Agreement. Authorized CDFI Program and NACA Program Activities are defined in Schedule 3 “General Award Terms and Conditions” of the Assistance Agreement.

Data Point <sup>1</sup>	Applicable Program			Data Point Guidance
	BEA	CDFI/NACA Financial Assistance	CDFI/NACA Technical Assistance	
CDFI Partner(s)	X			For a CDFI Related Activity, list the name of the certified CDFI that received the loan, technical assistance, or qualifying deposits defined in the applicable BEA Notice of Funds Availability (NOFA) or BEA Program Regulations. If the activity was a Distressed Community Financing, Service Activity, or Direct Administrative Expense, no entry is required.
Impact	X			For the activity types listed below, which are associated with either Distressed Community Financing Activities or Service Activities, provide the aggregate number of the appropriate measure indicated for all transactions funded within the category <sup>3</sup> : <ul style="list-style-type: none"> <li>• Affordable Housing Development</li> <li>• Small Business</li> <li>• Commercial Real Estate</li> <li>• Community Services</li> <li>• Financial Services and Targeted Financial Services</li> <li>• Targeted Retail Savings/Investment Products</li> </ul>

<sup>3</sup> **Affordable Housing Development:** Total number of units developed or rehabilitated as part of the transaction.  
**Small Business:** Total number of full-time equivalent jobs created or maintained by borrower.  
**Commercial Real Estate:** Total number of commercial real estate properties acquired, developed or rehabilitated.  
**Community Services:** Number of individuals who received the identified service funded with the Award.  
**Financial Services and Targeted Financial Services:** Number of accounts opened, checks cashed, etc. as a result of the related program funded with the Award  
**Targeted Retail Savings/Investment Products:** Number of products developed with funds from the Award sold or opened.

Data Point <sup>1</sup>	Applicable Program			Data Point Guidance
	BEA	CDFI/NACA Financial Assistance	CDFI/NACA Technical Assistance	
<b>Census Tract (if the transaction is a Distressed Community Financing Activity or Service Activity)</b>	X			For Distressed Community Financing Activities or Service Activities, input the census tract number that confirms the funds were deployed in a Distressed Community as defined in the applicable BEA NOFA and BEA Program Regulations. If the activity was a CDFI Related Activity or Direct Administrative Expense, no entry is required.
<b>Persistent Poverty County (PPC)</b>	X			This field is automatically populated and will be monitored to determine if Recipients have met their PPC commitment, if any.
<b>Explanation of Noncompliance questions</b>	X			Required if Recipient does not meet qualified transaction amounts or other performance goals described in their BEA Program Award Agreement or CDFI/ NACA Assistance Agreement by the end of its Period of Performance <sup>4</sup> .

---

<sup>4</sup> The CDFI Fund will use the Recipient’s responses to the Explanation of Noncompliance, its performance toward expending the Award on Authorized Program Activities, its overall activity levels, and any other information deemed appropriate by the CDFI Fund to determine whether the Recipient is noncompliant with its BEA Program Award Agreement or CDFI/ NACA Assistance Agreement.
