- All CDFI and NACA Program Award Recipients must execute an Assistance Agreement prior to receiving their initial payment.

Assistance Agreement Overview

- The Assistance Agreement contains the following key components:
 - Annual Reporting requirements and associated deadlines;
 - Performance Goals & Measures (PG&Ms);
 - Eligible Activities for award funds; and
 - General Award Terms and Conditions.

Assistance Agreement Overview

- Recipients should read the entire Assistance Agreement.
 - Recipients with awards from multiple funding rounds should read each agreement closely, as terms and conditions change from year to year.
 - Recipients must adhere to reporting requirements, PG&Ms, and associated deadlines.
- Recipients should keep a copy of their Assistance Agreement on file.
 - A copy of the Assistance Agreement may be found in your organization's 2019 TA award record, which is stored in the CDFI Fund Awards Management Information System (AMIS).
- Recipients should create a calendar reminder with due dates for reports. You may use the reporting schedule in AMIS to find the report due dates.

Assistance Agreement Overview

- The Assistance Agreement must be signed by an Authorized Representative listed in the Recipient's AMIS account.
- The Authorized Representative must have the legal authority to enter into the Assistance Agreement on behalf of the Recipient's organization.
- Consultants cannot sign the Assistance Agreement on behalf of the Recipient's organization.

Assistance Agreement Overview

- The CDFI Fund urges Recipients to review the Assistance Agreement very carefully before signing the document as the CDFI Fund expects Recipients to fulfill all terms and conditions and meet deadlines therein.
- The CDFI Fund will contact the Authorized Representative if additional information regarding the Assistance Agreement is needed.

Assistance Agreement Overview

- Throughout the Period of Performance of the Assistance Agreement, Recipients are required to report on their progress toward meeting the Performance Goal and Measure (PG&M) benchmarks.

Making Changes to an Assistance Agreement

General Award Terms & Conditions (Schedule 2): Authorized TA Activities

- The TA Assistance Agreement no longer contains a table with authorized Technical Assistance activities and corresponding dollar amounts.
- However, Recipients must still use Technical Assistance for an authorized Technical Assistance activity. Authorized Technical Assistance Activities are:
 - Compensation (Personal Services)
 - Compensation (Fringe)
 - Training and Education
 - Travel
 - Professional Services
 - Equipment
 - Supplies
 - Incorporation Costs (*Sponsoring Entities only*)
- Further guidance related to allowable uses and permissible modifications to Authorized TA Activities and amounts are found in Sections 3.8 and 7.9 of the Assistance Agreement.

General Award Terms & Conditions (Schedule 2): Authorized Activities

- The CDFI Fund reserves the right to require the Recipient to repay all or a portion of the award if the Recipient expends funds for an unallowable activity.

TA Authorized Activities

Activity

Direct Expense

Compensation (Personal Services)

TA paid to cover all remuneration, paid currently or accrued, for services of Applicant's employees rendered during the Period of Performance under the TA grant in accordance with section 200.430 of the Uniform Requirements.

Compensation (Fringe Benefits)

TA paid to cover allowances and services provided by the Applicant to its employees as compensation in addition to regular salaries and wages, in accordance with section 200.431 of the Uniform Requirements. Such expenditures are allowable as long as they are made under formally established and consistently applied organizational policies of the Applicant.

Training and Education

TA used to pay the cost of training and education provided by the Applicant for employees' development in accordance with section 200.472 of the Uniform Requirements. TA can only be used to pay for training costs incurred by the Applicant's employees. Training and education costs may not be incurred by the Applicant's consultants. (does not include board members).

Travel

TA used to pay costs of transportation, lodging, subsistence, and related items incurred by the Applicant's personnel who are on travel status on business related to the TA award, in accordance with section 200.474 of the Uniform Requirements. Travel costs do not include costs incurred by the Applicant's consultants who are on travel status. Any payments for travel expenses incurred by the Applicant's personnel but unrelated to carrying out the purpose of the TA grant would be deemed unallowable. As such, documentation must be maintained that justifies the travel as necessary to the TA grant.

TA Authorized Activities

Activity	Direct Expense
Professional Services	TA used to pay for professional and consultant services (e.g. such as strategic and marketing plan development), rendered by persons who are members of a particular profession or possess a special skill (e.g., credit analysis, portfolio management), and who are not officers or employees of the Applicant, in accordance with section 200.459 of the Uniform Requirements. Payment for a consultant's services may not exceed the current maximum of the daily equivalent rate paid to an Executive Schedule Level IV Federal employee. Professional and consultant services must build the capacity of the CDFI. For example, professional services that provide direct development services to the customers does not build the capacity of the CDFI to provide those services and would not be eligible.
Equipment	TA used to pay for tangible personal property, having a useful life of more than one year and a per-unit acquisition cost of at least \$5,000, in accordance with section 200.33 of the Uniform Requirements. For example, items such as office furnishings and information technology systems are allowable as Equipment costs. The Applicant must comply, as applicable, with the Buy American Act of 1933, 41 U.S.C. 8301–8303 with respect to the purchase of Equipment.
Supplies	TA used to pay for tangible personal property with a per unit acquisition cost of less than \$5,000, in accordance with section 200.94 of the Uniform Requirements. For example, a desktop computer costing \$1,000 is allowable as a Supply cost. The Applicant must comply, as applicable, with the Buy American Act of 1933, 41 U.S.C. 8301–8303 with respect to the purchase of Supplies.
Incorporation Costs	TA used to pay for incorporation fees in connection with the establishment or reorganization of an organization as a CDFI, in accordance with section 200.455 of the Uniform Requirements. Incorporation Costs are allowable for NACA Program Sponsoring Entity Applicants only.

General Award Terms & Conditions (Schedule 2): Authorized Activities

- Indirect Costs as described in section 2 C.F.R. 200.56 of the Uniform Requirements are **not allowable**.
 - Costs that are incurred for common or joint objectives and therefore cannot be identified readily and specifically with a specific sponsored project.
 - Indirect costs typically include salaries of staff not directly tied to the provision of Financial Products, depreciation expenses, interest to pay off debt, equipment and capital improvement, and maintenance expenses.
 - For example, the salary for maintenance staff in the building where loans are provided is an indirect expense, and not allowable.

Indirect Cost Example

- A TA applicant requested and received a \$100,000 award.
- In the application, the applicant requested \$15,000 to pay rent for the organization. Rent expenses are defined as indirect costs.
- Indirect costs are not allowable under the CDFI Program and NACA Program.
- The TA Recipient must use this \$15,000 for an eligible, authorized TA Activity instead of the proposed rent expenses.

Authorized Activity Questions

- If you are considering expending TA award funds on something that does not fit neatly into the TA Authorized Activities categories, or if you are unsure, first consult the Uniform Requirements at 2 C.F.R. 200.
 - Cost principles are found in Subpart E.
- Contact the CDFI Fund **BEFORE** expending funds if you have questions (contact information is available at the end of the presentation).
 - Recipients are responsible for funds expended on unallowable activities.
